Headteacher: Annie Howell

**SPECIAL EDUCATIONAL NEEDS CO-ORDINATOR (UPS 1-3) plus SEN allowance £2,679
60% Monday to Wednesday. NO CLASS COMMITMENT.**

We are looking for a well-qualified and experienced professional who is passionate about SEN to join our successful school as from September 2025. There is no class commitment for this role.

To be considered for shortlisting you must hold or be working towards a SENCo qualification.

Following a review of the Deputy Head's workload, we are making the role of SENCo a position in its own right. As such, the successful applicant will have support and guidance during the handover period whilst they get to know our children and families and settle in to the role.

We are seeking a fun, forward thinking practitioner, who will inspire and enable our pre-school and school teams of Teaching Assistants and Teachers to empower our children to achieve their full potential. Applicants should be able to bring new and exciting ideas, be highly motivated and have a commitment to ensuring pupil progress.

Our children and families are also supported by a Family Support Worker and Pupil Premium Champion, and we are a partner school with Blue Smile.

We had our Ofsted in June 2024, which rated us good. *“Overwhelmingly, pupils are happy to be at Monkfield Park. They are kept safe in school and work positively with adults. Pupils get on with each other very well, and any disputes between them are quickly settled. Most behave very well in lessons and around the school. They benefit from being supported by teachers and teaching assistants, who are kind and who work very well together, to make sure that activities are adapted in a way that fully includes pupils with special educational needs and/or disabilities (SEND). This helps pupils with SEND achieve as well as their peers. Pupils learn in well-organised classrooms. They can play in attractive outdoor spaces, which are also used imaginatively for learning.”*

We are a two form entry primary school with extended school facilities. We have enthusiastic children, supportive parents and governors, as well as positive engagement with other local schools and the wider community. You will be part of a friendly, helpful, hardworking team based in a well-resourced building in the developing town of Cambourne.

There is a strong commitment to continuing professional development and there are many opportunities to contribute to the ongoing development of the school.

Monkfield Park Primary School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. The above post is subject to a Disclosure and Barring Service (DBS) check.

Please call for an application pack. CV applications will not be considered. Visits to the school are very welcome - please contact the school office.
