

### Harvest Festival

Christianity is based on the teachings of Jesus. They believe that God sent his son, Jesus, to teach people about love and fellowship and to save them from sin.

A Harvest Festival is a celebration of the food that is grown on the land.

Celebrations giving thanks for our food happen in many countries around the world.

In Britain, Harvest Festivals are often celebrated by bringing baskets of food to give thanks to God.

### Harvest and Giving Thanks

Farmers use machinery to harvest some of their crops.

Some fruits and vegetables are too delicate to be harvested by a machine. They need to be carefully picked and stored so that they don't get damaged.
